(The Fee includes the amount for Part I Tamil, Part II English and Human Excellence Course Books)

B.A. Archaeology

B.A. Archaeology is a 3 years undergraduate programme. During their course of education, the students can gain deep knowledge in Archaeology which will help them to prepare for uniformed services and other competitive exams. **Eligibility: Any Group in Plus Two.**

B.Sc. Artificial Intelligence

B.Sc. Artificial Intelligence is a 3 years Bachelors Programme. It involves a combination of study of all areas of simulation of human intelligence processes by machines and the use of data and algorithms. The students can also learn about Natural Language Processing & Expert Systems through algorithms. Artificial intelligence refers to the general ability of computers to emulate human thought and perform tasks in real-world environments.

Eligibility: Any Science Group in Plus Two with Mathematics.

B.Com (Honours)

B.Com (Honours) is a Bachelor's programme which is the most pursued graduation programme in the field of commerce covering subjects such as Accounting, Taxation, Economics, Financial Management etc. It is a specialized programme designed with a distinct focus on specialization in the field of commerce. B.Com (Hons) Programme professionals are in huge demand throughout India and abroad and can get lucrative opportunities to work. There is a boom of job opportunities in the Financial Market, Banking sector, Accounting firms etc. These sectors are growing each day and thus the job scope for B. Com (Hons) Programme graduates keeps increasing.

Eligibility: Commerce / Business Studies, Accountancy

B.Sc. Criminology and Forensic Science

The Bachelor of Science degree in Criminology and forensic Science provides undergraduates an excellent foundation in the theories of crime and criminal justice response to crime along with relevant practival experience in Forensic and Criminological research methods. There are ample career opportunities both in government offices and private firms.

Eligibility: Any Group in Plus Two. Science group preferred

B.Sc. Geology

B.Sc. Geology is a 3 years undergraduate programme. It involves a combination of study of all areas of Geology. During their course of education, the students can gain deep knowledge in Geology and some areas of which will help them getting employment. Geology is an attractive elective paper in Civil Service examinations. Knowledge of geology helps students in various competitive examinations.

Eligibility: Any Science Group in Plus Two with Physics & Chemistry.

B.Sc. Physical Education (Three - Year Programme)

It is a great opportunity to serve as Physical Education Teacher, Coach, Physiotherapist, Gym Instructor, Nutrition specialist, Sports Journalist and Umpire / Referee. Special training is given for joining uniform services.

Eligibility: Any Group in Plus Two.

B.Sc. Visual Communication

B.Sc. Visual Communication has great potential for employment and self - employment. Students with artistic talents and interest in media and other communication-related field will benefit a lot by this degree course.

Eligibility: Any Group in Plus Two.

MBA - Master of Business Administration

Since August 2012, XAVIER INSTITUTE OF BUSINESS ADMINISTRATION (XIBA), the Department of Master of Business Administration (MBA) affiliated a Manonmaniam Sundaranar University, Tirunelveli, and approved by AICTE, has been offering MBA programme in our college.

Eligibility: Graduates in any discipline from a recognised University with a minimum of 50% marks in aggregate in the Major and Allied subjects are eligible to apply.

MCA - Master of Computer Applications

MCA - MASTER OF COMPUTER APPLICATIONS (2 Year programme) was started as per AICTE norms in 2000. It started functioning as a separate department as per the AICTE recommendations from the year 2001. It has a well equipped computer Lab. A separate seminar hall and a library with 4000 books are available for the holistic development of students. We strongly believe in Industry-Institute Interactions. Several of our students have been placed in various MNCs through campus interview.

Eligibility: Pass in Bachelor's Degree of minimum 3 years duration with Mathematics at +2 level or at Graduate level with 50% (45% in the case of candidate belonging to reserved category) of marks in the qualifying degree examinations. (10+2 years (HSC) + 3 (or) 4 Years Bachelor's degree pattern (or) 10 + 3 Years Diploma +3 Years Bachelor's degree pattern. Candidate belonging to reserved category) of marks in the qualifying degree examinations.

M.Sc. Data Science

Data Science is the study of data to extract meaningful insights for businesses. It is a multidisciplinary approach that combines principles and practices from the fields of Mathematics, Statistics, Artificial Intelligence and Computer Science to analyse the large amount of data. It is an Artificial Intelligence subset ,that deals with data methods, scientific analysis and statistics. Data Science platform reduces redundancy and drives innovation by enabling data scientists to share, code and produce reports. The working knowledge of this course removes the bottlenecks in the flow of work by simplifying management and incorporating best practices. Lot of employment opportunities are available for the students with this degree.

Eligibility: B.Sc. Mathematics, Computer Science, Statistics, Physics and Computer Applications

M.A. Folklore

M.A. Folklore is a postgraduate programme which has a two-tier structure with Folkloristic and Media Studies along with practical components. Folklore, which is defined as artistic communication in a small group, never confines itself within the boundaries of traditional contexts, but travels across different domains of traditional and popular channels of communication including print, radio, film, television and other electronic modes. This course will facilitate the students to have a clear understanding on folklore and culture, and it will also help them to emerge as trained media specialists with human

Eligibility: Any UG Degree.

MSW - Master of Social Work

MSW - MASTER OF SOCIAL WORK is a popular programme as its job potential both in Govt. Sectors and in the Corporate / Voluntary Sectors is a known fact. Students are given the choice to specialize in "Community Development (CD)" or "Personnel Management (PM)". Students with CD / PM specialization are in big demand in the voluntary sectors and in Human Resource (HR) Department of companies.

Eligibility: Students of any UG degree with 50% Marks are eligible to apply for MSW.

STUDENT - CENTRIC TEACHING LEARNING METHODS

PARTICIPATORY LEARNING

- ICT – Resources
- Library
- Assignments
- Group Discussion
- Student Seminar Presentations
- Debates
- Quiz
- Viva Voce
- Communicative English Programme
- Bridge Course in Major Subjects and English

INQUIRY BASED LEARNING

- Case Study
- Field Work

CO-OPERATIVE LEARNING

- Group Projects
- Peer Group Learning
- On the spot study

EXPERIENTIAL LEARNING

- Peer Group Learning
- On the spot study
- Value Added Courses
- Add On Course
- Compulsory Extra Credit Course (ECC)

SPECIAL PROGRAMMES FOR SLOW LEARNERS & ADVANCED LEARNERS

SLOW LEARNERS

- Remedial Classes
- Streaming system in English
- Tutor – ward System
- Monitored Peer Groups
- Guided Library Assignments
- Additional training to improve language skills
- Special guidance and counselling

ADVANCED LEARNERS

- Certificate Courses
- Extra Credit Courses
- Streaming System in English
- Tutor – ward System
- Special Coaching for
- NET / SET / GATE and other competitive exams
- Online Courses (Swayam / NPTEL, MOOCs)

IT – INTEGRATION IN OFFICE OF COE

Automation of Examination / Xaverian Automation Software

Evaluation of Attainment of Pos, PSOs & Cos

1. Direct Methods
   - A. Continuous Internal Assessment (CIA)
   - B. Semester Examination Performance Analysis

2. Indirect Methods
   - Evaluation of Teaching Plan
   - Analysis of Student Feedback
   - Exit Survey

OUR CURRICULUM – CHOICE BASED CREDIT SYSTEM (CBCS)

The curriculum has been updated and diversified under the Choice Based Credit System (CBCS) with a variety of choices to the learners according to their aptitude and competence. Students must earn a minimum of 140 credits to get UG Degree, 90 credits to get PG Degree.

UG Programmes	Credits
Part I Tamil	12
Part II English	12
Part III Major & Allied	95
Part-IV Non-Major Electives & Skill Based Electives	20
Part-V STAND (Student Training and Action for Neighbourhood Development)	1
Total Credits	140

PG Programmes	Credits
Core Courses Including projects	70
Elective	20
Total Credits	90

MCA	Credits
MCA (Master of Computer Applications)	90

SCHOOLS OF EXCELLENCE

In 2016, a new matrix with Schools and Centres of Excellence was introduced in the college to promote inter-disciplinary programmes and initiatives.

SCHOOL OF LIFE SCIENCES
- Dept. of Botany
- Dept. of Zoology

SCHOOL OF COMPUTING SCIENCES
- Dept. of Artificial Intelligence
- Dept. of Computer Applications
- Dept. of Computer Science
- Dept. of Criminology and Forensic Science
- Dept. of Data Science
- Dept. of Mathematics

SCHOOL OF PHYSICAL SCIENCES
- Dept. of Chemistry
- Dept. of Geology
- Dept. of Physics

SCHOOL OF LANGUAGES AND CULTURE
- Dept. of Archaeology
- Dept. of English
- Dept. of Folklore
- Dept. of Tamil

SCHOOL OF MANAGEMENT STUDIES
- Dept. of Business Administration
- Dept. of Business Administration (Maritime Logistics)
- Dept. of Commerce
- Dept. of Commerce (Honours)
- Dept. of Corporate Secretaryship

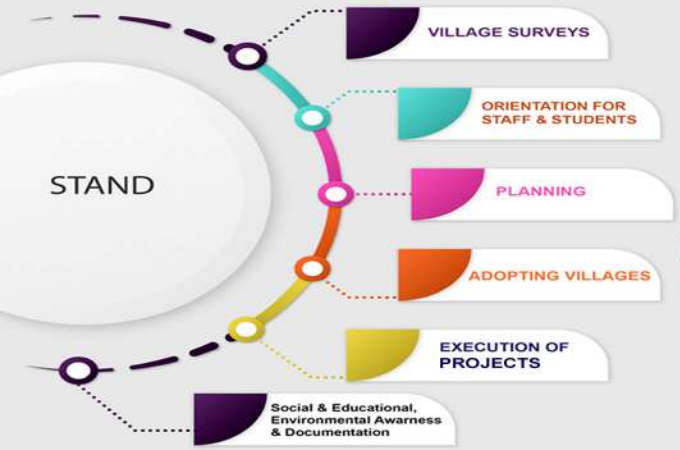
Student Training and Action for Neighbourhood Development (STAND)

- To demonstrate and train the village farmers for sustainable agriculture & renewable energy sources.
- To educate women self help group on production of vermi-compost, bio-fertilizers and bio gas in villages.
- To create entrepreneurial culture among women
- To promote socio-economic development of women.



INTERNET CENTRE

A separate Internet Centre with 45 computers provides internet service to the students. They can download study materials from the internet . The Internet Centre is kept open on all working days.

LANGUAGE LAB

The College has a Language Lab, which consists of 65 computers with cable box RJ45 connector DVD Rom drive and headphones attached to the computers. Students can develop their communication skills and make use of the facilities in the Language Lab.

STATE BANK OF INDIA, ST.XAVIER'S COLLEGE BRANCH

The State Bank of India is operating a branch within the campus exclusively for the benefit of the staff and students of our college. The working time of the bank is 10.00 a.m. to 4.00 p.m. Students can open an account in their names in the bank and learn to make use of the banking facilities.

COUNSELLING

Full time and part-time counsellors are available in the college to counsel and guide the students on working days. Moreover, staff members are involved in guiding the students in their academic and personal life through Tutor-Ward system.

PARENTS MEETING

The college believes in establishing a healthy relationship with parents of the students studying in our college. The Parents meeting provides the parents with an opportunity to articulate their expectations and makes the college management, the teachers and the parents to work for the healthy growth of the students. Every year two meetings are organized at the time of distribution of mark statements.

GOVERNMENT SCHOLARSHIP

After admission into the college students belonging to different communities (SC, ST, BC, MBC / DNC) are asked to apply for various Govt. Scholarships through college office.

JESUIT EDUCATIONAL SUPPORT (JES)

The Management gives scholarship to deserving Dalit and other poor students. After studying the socio-economic and cultural background of the students, this scholarship will be given to deserving students.

EXTRA – CREDIT COURSES

In order to cater to the divese needs of students, extra credit courses are conducted by the college. In the UG Course at least 6 Extra-Credit Courses (Self – Study / taught) will be offered by each department; these courses are open to all the UG students. Extra Credit Courses are offered for PG Students also. Students are expected to enrich their knowledge and develop their skills by joining extra credit course outside the class hours. This facility enables the students to earn more credits.

MIDDAY MEAL SCHEME

The college extends its support to the students from socially disadvantaged section of the society by providing Midday Meals to the deserving students. This enables such students to concentrate on their studies without worrying about lack of food.

BREAKFAST SCHEME

Students who belong to the economically weaker sections of the society suffer lack of attention in classes because of the inability to get breakfast. Therefore, the free breakfast scheme for day-scholars was initiated in 2021 by the Management with the help of a few philanthropists and members of the public.

ICT FACILITIES

- A well Equipped Internet Lab
- Language Lab – 65 computers
- Media Centre – 1
- 100 Mbps Broadband Connectivity
- 24/7 Internet Connectivity
- 29 Wi-Fi Access Points
- Computer Centres - 8
- 436 Computers exclusively for Student's Use (Total 610)
- ERP

SXC- ERP: St. Xavier's College has a comprehensive ERP system known as St. Xavier's College-ERP (SXC-ERP). The primary objective is to offer a secure and dependable ERP service to all Stakeholders of Our College.

SXCTN-ERP Mobile App: The SXCTN-ERP Mobile App Downloadable from google play store provides essential database services such as Academic Management module, E-attendance, CIA Entry Portal, and Fee Payments to all the Officials, Staff and Students. In addition to the SXCTN-ERP Mobile App, a desktop version of SXC-ERP has been launched, ensuring seamless integration among officials, heads, staff, and students.

WEBSITE (www.stxavierstn.edu.in): The college website, www.stxaviertn.edu.in, provides a comprehensive platform for both the public and intra-college stakeholders. It showcases several new features providing credible data and information.

INFRASTRUCTURE

- Lift and Ramps for the differently challenged students
- Pope Francis Auditorium – for 3000 students
- 4 Generators with a total capacity of 295 KVA power
- Solar Panels with capacity of 30 KVA
- UPS - 5 Online UPS 20KVA, 4 Online UPS 15 KVA & 4
- 3 Hostels - 295 rooms - 695 inmates

OUR HOSTELS: After getting admission in the College, students must approach the Directors for accommodation. Admission in the college doesn't guarantee admission in Hostels.
XAVIER HOSTEL: Male students.
MOTHER TERESA HOSTEL: U.G. Girls students.
BRITTO HOSTEL: P.G. Girls students.

Britto Hostel for PG Girls

Xavier Hostel for Boys

Mother Teresa Hostel for UG Girls

PLACEMENT CELL

A committee under the chairmanship of the Principal of the College has been constituted to monitor, supervise and conduct programmes to realize the objectives of the cell. This is a forum which helps students set their goals to choose a better career in life. A separate Placement Officer has been appointed and the Placement Office conducts training programmes for students and arranges job fair in collaboration with industries / companies.

ARRUPE ACADEMY OF VOCATIONAL EDUCATION (AAVE)

SHORT TERM COURSES FOR LIFE LONG PROGRESS

ARRUPE ACADEMY OF VOCATIONAL EDUCATION (AAVE) offers Diploma / Certificate courses to promote interest in college students and general public to master different skills which will shape their future. Parents, employers and the general public feel that students, who come out of the college, must have some Diploma / Certificate courses which will enhance their special skills in addition to the degree. These courses are designed to provide technical skills and academic knowledge to the students in their area of interest.
