

PROGRAMMES OFFERED Shift - I (Aided Courses)
08.30 a.m. to 01.30 p.m.

1. UNDERGRADUATE PROGRAMMES

S.No	Major	Allied I	Allied II
1	Botany	Chemistry	Zoology
2	Commerce	Economics & Statistics	Commercial Law (DTP & Programming)
3	Computer Science	Mathematics – oriented Courses	Hardware - oriented courses
4	Chemistry	Mathematics	Physics
5	Economics	Statistics	History
6	English Literature	Language Skills	Literary Forms & Social History
7	Mathematics	Physics	Statistics
8	Physics	Mathematics	Chemistry
9	Zoology	Chemistry	Botany

2. POSTGRADUATE PROGRAMMES

- | | |
|----------------------|------------------|
| 1) M.A. Tamil | 2) M.A. Folklore |
| 3) M.Com. | 4) M.Sc. Botany |
| 5) M.Sc. Mathematics | 6) M.Sc. Zoology |

3. Ph.D. (PART-TIME & FULL-TIME) PROGRAMMES

- | | |
|----------------|---------------------|
| 1) Tamil | 2) Folklore |
| 3) Botany | 4) Zoology |
| 5) Mathematics | 6) Computer Science |
| 7) Physics | 8) Commerce |
| 9) Chemistry | 10) English |
| 11) Economics | |

PROGRAMMES OFFERED Shift II (Self - Financing Programmes)
01.45 p.m. TO 06.45 p.m.

1. UNDERGRADUATE PROGRAMMES

S.No	Major	Allied I	Allied II
1	Archaeology	Pre-historic Archaeology	History of India (Upto 1206CE)
2	Artificial Intelligence	Discrete Mathematics	Introduction to Statistics
3	B.Com. Banking & Finance	Business Mathematics & Statistics	Financial Market & Services
4	B.Com. Maritime Logistics	Accounting for Managers	ICD & amp; CFS Operations
5	BCA (Comp. Applications)	Mathematics	Mathematics
6	B.Com. Honours	Business Economics	Business Environment
7	B.Sc. Criminology & Forensic Science	Crime and Delinquency	Practical - Examination of finger Print
8	Business Administration	Business Mathematics & Statistics	Computer Application Packages for Managers
9	Commerce (Two Sections)	Economics & Statistics	Commercial Law (DTP & Programming)
10	Commerce (Additional Section)	Economics & Statistics	Commercial Law (DTP & Comp. Programming)
11	Commerce (Corp. Secretaryship)	Economics & Statistics	Commercial Law (DTP & Programming)
12	Computer Science	Mathematics - oriented Courses	Hardware - oriented Courses
13	English Literature	Language Skill	Literary Forms & Social History
14	Mathematics	Physics	Statistics
15	Physics	Mathematics	Chemistry
16	Physical Education	Anatomy, Physiology & movement Education	Computer Application & Sports Biomechanics
17	Tamil	History of Literature	Journalism
18	Visual Communication	Film Studies	Media and Cultural Studies

2. POSTGRADUATE PROGRAMMES

- | | |
|----------------------------|---------------------------|
| 1) M.A. English Literature | 2) M.Sc. Chemistry |
| 3) M.Sc. Physics | 4) M.Sc. Computer Science |
| 5) M.Sc. Mathematics | 6) M.Sc. Data Science |
| 8) M.A. Social Work (MSW) | 9) M.A. Economics |
| | 10) MBA |

3. Ph.D. (PART-TIME & FULL-TIME) PROGRAMME

Business Administration

4. DIPLOMA COURSE

PG Diploma in Computer Application in Business (PGDCAB)

CHOICE - BASED CREDIT SYSTEM

While the Tamil Nadu State Council of Higher Education (TANSCHÉ) came forward to introduce CBCS in all the affiliated colleges in Tamil Nadu in June 2008, St. Xavier's College had already introduced CBCS as early as June 2002 for UG courses and in June 2003 for PG courses. The aim of the Choice Based Credit System is to provide ample choice of subjects to students, based on the weighted credit point system. This system offers the learners a chance to match their aptitude and interest with the subjects of their choice and learn at their own pace. Thus St. Xavier's College gives every student an opportunity to study his / her discipline - specific courses and pursue other courses from any other departments simultaneously.

ESSENTIAL FEATURES OF CBCS

- Standardization of degree courses to internationally accepted levels
- Focus on skill-based curriculum
- Emphasis on value education
- Institution - Industry collaboration
- Provision for earning more credits
- Development of communication skills

TANSCHÉ SYLLABUS

The Tamil Nadu State Council for Higher Education (TANSCHÉ) introduced common syllabus throughout the state in the academic year 2023 - 24. The syllabus of St. Xavier's College was modified in June 2023 as per the guidelines given by TANSCHÉ.

OBJECTIVES OF THE RESTRUCTURED CURRICULUM

The academic framework for the UG programme has the following general objectives :

1. To develop language skills in students.
2. To sensitize the students to the social realities around them with a view to making them responsible citizens and other-centred persons.
3. To develop the personality of the students to be able to realize their potential and to interact well with society.
4. To develop in them the in-depth knowledge in the selected area of their study.
5. To broaden the outlook of the students through interdisciplinary approach, to enable them to access knowledge and use the same meaningfully.
6. To impart an education that promises an integrated growth of knowledge, skills and values and enable the students to have confidence and positive look.
7. To sensitize them to social realities and prepare them to make this world a better place to live in by participating well in the outreach programme (STAND).

STRUCTURE OF UG SYLLABUS (From 2023 - 24 batch of students)

The UG syllabus under CBCS consists of five parts:

- | | |
|------------|--|
| Part I : | Tamil / Other languages (Hindi & French) |
| Part II : | General English |
| Part III : | Core Subjects |
| | Electives / Allied Subjects |
| | Project |
| Part IV : | Skill Enhancement Courses (SEC) / (NME) |
| | Environmental Studies (EVS) |
| | Value Education (VE) |
| | Foundation Courses (FC) |
| | Internship |
| Part V : | Extension Activities (STAND) |

Part IV

Non-Major Electives in I & III semesters will be offered by the respective departments to students of other majors.

The Department of Human Excellence offers the following courses:

- I Semester : Foundation Course (Catholic Doctrine / Ethics)
 II Semester : SEC 3 Integrated Personality Development
 III Semester: SEC 4 Life Coping & Entrepreneurial Skills Management
 IV Semester: Environmental Studies
 V Semester : VE: Human Rights & Social Analysis

SEC 8 Professional Competency skill in VI Semester will be offered by the respective departments to their major students.

STRUCTURE OF UG SYLLABUS UNDER CBCS (from 2024 - 2025)

The UG syllabus under CBCS consists of five parts:

- Part I : Tamil / Other languages (Hindi & French)
 Part II : English
 Part III : Core Subjects
 Allied Subjects
 Project / Electives (Including interdisciplinary papers)
 Part IV : Non-Major Electives (NME)
 Skill Enhancement Course (SEC)
 Environmental Studies (EVS)
 Value Education (VE)
 Part V : Extension Activities

Part IV

Non-Major Electives in I & II Semesters are offered by respective departments to students of other majors.

The Department of Human Excellence offers the following courses :

- I Semester : Value Education (Catholic Doctrine / Ethics)
 II Semester : Integrated Personality Development
 III Semester: Life Coping and Entrepreneurial Skills Management
 IV Semester: Environmental Studies
 V Semester : Human Rights and Social Analysis

CREDITS

Every paper of study is allotted a particular number of hours per week, based on which credits are allotted. The successful completion of a paper enables a student to gain the full credit for that paper. A student must earn a minimum of 140 credits to get his / her UG degree. He / She may choose extra credit courses (ECC), Add-on & Value- Added courses to earn more credits. It is also mandatory that every student involves himself / herself in at least one of the extra - curricular activities for earning one credit under part V. Four credits are allotted to NCC.

ADDITIONAL COMPULSORY COURSES

In order to cater to the diverse needs of students, some compulsory courses are offered by the college. During their first year, all the students should learn one “Add - On course” offered by the respective departments. Similarly II year UG students should study one “Value - Added course”. These courses are of minimum 30 hours duration followed by an assessment, which will be conducted by the department. All the III UG students are supposed to do one Extra Credit Course as a compulsory course.

In the UG Programme at least 6 Extra-Credit Courses (Self – Study / taught) will be offered by each department; these courses are open to all the UG students. One Extra-Credit Course will be offered in each semester. 2 credits are allotted to each Extra-Credit Course. The duration of External Examination is 3 hours. The students who choose the Extra-Credit Courses will register their names in the Office of the Controller of Examinations before 31st July in the Odd Semester and 15th December in the Even Semester. Extra credit Courses are offered for PG Students also.

Students are expected to enrich their knowledge and develop their skills by joining in these courses outside the class hours. This facility enables the students to earn more credits. To get the degree certificate every student should complete these courses. All the Commerce students should complete the typewriting course in the Technical Training Institutes. It is mandatory for them.

Failure is the opportunity to begin again more intelligently. – Henry Ford
You don't drown by falling in the water; you drown by staying there. – Ed Cole

STRUCTURE OF THE PG SYLLABUS UNDER CBCS

The existing PG curriculum was thoroughly upgraded based on the expectations of the academicians and the aspirations of the student community. The PG syllabus has two parts : Core and Elective. The minimum number of credits to be earned by a student is 97. The aim of the project work at the PG level is to develop the skill of solving problems and to promote research motivation. All the I year PG students are offered one Value - Added Course and during their II year they are supposed to do one Extra Credit course outside their class hours to enhance their employability skills. However, during every semester, they are free to learn one ECC paper, offered by the respective departments.

CONTINUOUS INTERNAL ASSESSMENT (CIA)

1. There is no internal minimum for any paper. However, Continuous Internal Assessment (CIA) is a mandatory requirement for all the students. A student must take at least one CIA test out of two tests and must fulfill at least one mode of assessment among assignments, quiz, seminars, etc. Otherwise he / she will not be permitted to write the semester examination.
2. **Retest:** If a student is absent for CIA tests with valid and genuine reasons, and if the student applies for CIA retest within a week to the Principal through the Head of the Department, he / she will be given a chance to write the CIA retest. When the Principal gives permission, the HOD will make arrangement for conducting CIA retest within ten days after the first internal test and before the CIA publications for the second internal test.
3. For all UG courses, the pass minimum is 20 marks out of 50 in the external examination and 40 marks out of 100 in the aggregate, that is, internal and external together.
4. For PG and Diploma Courses, the pass minimum is 25 marks out of 50 in the external examination and 50 marks out of 100 in the aggregate, that is, for internal and external together.
5. The number of practicals for practical papers will be decided by the department. At the end of the Semester / Year, Semester Exam for Practical papers will be conducted. The pass minimum is the same as for the theory papers.

6. The internal and external marks will be computed for 50 for each paper and the consolidation of these internal and external marks will be for 100.
7. For all the courses under Part IV (NME / SBE / VE / EVS), the duration of Internal Test is 1 hour and the duration of Semester Examination is 2 hours.

RULES REGARDING INTERNAL ASSESSMENT

The aim of the internal assessment system is to assess the performance of the student throughout the semester. The assessment will be done by the course teachers. CIA has the following components :

1) Two Written Tests (35 + 35)	=	70
2) Other Modes (any two) = 15 + 15	=	30
Total	=	100

OTHER MODES OF INTERNAL ASSESSMENT

1. Quiz announced / unannounced
2. Individual viva or group viva
3. Short duration objective type tests / snap tests
4. Short answer / Problem solving tests (15 minutes to 30 minutes for periodical assessment of cognitive abilities)
5. Long answer tests / Essay writing (30 minutes to 60 minutes for periodical assessment of higher order cognitive abilities)
6. Guided individual / group projects (only for a few talented students)
7. Lab / Field / Practical work / Case study (to assess practical skills in handling instruments, experimenting, reporting etc.)
8. Group discussion (once in a month to assess originality, creativity, initiative, communication skills, etc.)
9. Seminar
10. Assignment

SEMESTER EXAMINATIONS

External examination will be of three hours duration for all the theory and practical papers except NME / SBE / VE / EVS papers. Every theory paper for UG Courses will have objective type questions for 20% of the marks.

THEORY

In general, all theory question papers for semester examinations will be set by external examiners. While there is single valuation for UG answer scripts, there is double valuation for PG scripts, with the subject teacher being one examiner and an external examiner being the second. If the difference of marks between the two valuations is 20 and above, the scripts will be sent for third valuation and the average of the closest two marks will be taken.

The students who have papers in arrear are permitted to write their even semester papers in the even semester examination and odd semester papers in any semester examination. A student can write a maximum of 8 papers in arrear (6 theory + 2 practicals) in any semester examination.

PRACTICALS

A student should do a minimum of 80% of the practicals arranged by the class teacher and submit the record note book to be eligible to appear for the practical examinations. They should have at least 80% of attendance. It is mandatory. The minimum mark required for a pass is the same as for the theory papers. The semester / year - end practicals for both UG and PG candidates will be conducted by the teacher - in - charge of practicals for the class, assisted by another teacher of the department who has not been handling practicals for that class. The latter takes the place of the external examiner. For absentees and failed candidates who wish to take the practical examinations again, the odd semester practical papers will be offered in the odd semester and the even semester papers in the even semester. However, in the final semester, students may apply for appearing for a maximum of 3 practicals of any semester in arrear.

RESULTS

After the semester examinations, the results will be scrutinized by the Awards Committee. Students will be given a mark sheet for every semester examination. At the end of the course, a consolidated mark sheet of the final results based on the weighted credit point system will be awarded to each student.

A smile is the beginning of peace - Mother Teresa

SUPPLEMENTARY EXAMINATIONS

Supplementary examinations will be conducted for final-year regular students who have appeared and failed in any of the semester theory papers and have a maximum of three arrear papers remaining to complete their degree. These examinations will be announced after the publication of the year-end examination results. Students must pay the examination fee as prescribed by the college to appear for the supplementary examinations.

RETOTALLING / REVALUATION

Retotalling is permitted for UG students who apply for it within the stipulated time on payment of a prescribed fee. Revaluation is permitted only for the UG papers for which the student has appeared as a regular candidate.

CIA IMPROVEMENT

If a student fails to obtain a pass mark in the aggregate of both CIA and Semester Examination (40% for UG and 50% for PG), he / she may appear for CIA Improvement in the final semester.

In order to appear for CIA Improvement, he / she should have passed the Semester Examination.

CIA improvement will be conducted by the Controller of Examinations.

A student can appear for CIA improvement only once. CIA improvement cannot be repeated.

TIME LIMIT (COMPLETION OF ANY PROGRAMME)

As per the letter No. (MSU/COE/CERT/Span Period/ 2022) received from Manonmaniam Sundaranar University on 16.09.2022, the maximum number of years within which a student must complete and qualify for a degree is determined by UGC as $N+2$, where N is the normal or minimum duration prescribed for completion of the regular programme. Hence, for UG it will be 5 (3+2) years and for PG, It is 4 (2+2) years. A candidate is permitted to appear for a maximum of 15 theory papers in the final semester including the papers in arrear.

ATTENDANCE & REPEATING THE SEMESTER

Attendance in this college is compulsory. A student must put in a minimum of 80% attendance to be eligible to write the semester examination. Students who are not eligible to appear for the examinations of a particular semester due to lack of attendance will not be permitted to attend classes and write the examination in the subsequent semesters. They will be eligible to repeat the semester only in the concerned odd / even semester of the following academic year. This becomes applicable for students who are admitted from June 2017.

Each student is required to have a minimum of 80% attendance every semester.

The grant of condonation is at the discretion of the Principal. The Principal may condone shortage of attendance for a semester. In order to apply for condonation on medical grounds, prior permission from the Principal either during the treatment or prior to the treatment is compulsory. Producing medical certificate without prior permission will not be considered for condonation. A student can avail condonation only once during the course of study.

SANCTIONS AGAINST MALPRACTICE

Students should evince utmost honesty and good behaviour during the conduct of the examinations. They should keep silence in the examination hall and cooperate in the orderly conduct of the examinations.

If any student is caught indulging in malpractice even in one regular or arrear paper in a semester, it will lead to cancellation of his / her result of all the regular and arrear papers of that semester. Malpractice in any practical examination will lead to the result of cancellation of that practical. The student can reappear for those papers / practicals in the next odd / even semester only, as the case may be.

If a student is found indulging in malpractice in any CIA tests, the case will be brought to the notice of the Principal. The student will be awarded zero for that semester and he / she cannot appear for Semester Exam in that Semester for that paper. Serious action will be taken by the Principal if the student is caught again for malpractice.

Attention is drawn in particular towards doing one's work - be it a class test or assignment - without copying from another person's work or just downloading it from the internet.
