### **CAREER GUIDANCE AND PLACEMENT CELL**

The Placement Cell coordinated by Prof. T.S.A. Bernard Chandra, is continuing its activities to guide the students towards meaningful jobs as the logical corollary to their educational pursuits. It is very gratifying to record that many students get employment after the completion of their studies on their own efforts. Efforts to propagate the idea of the need for training oneself for employment, honing one's skills and acquiring additional skills, especially communication skills, are the key activities of the Career Guidance and Placement Cell. In addition, the following are the initiatives during this academic year.

Interviews conducted within the campus:

#### **Supplying student profiles to Companies**

Many companies and institutions seek details of passed out students who would be contacted for job interviews. This has proved to be a boon to many students of our college who are largely underemployed with poor salaries. The Placement cell supplying information to different companies has helped the passed out students considerably. The following is an ample proof of this endeavor.
