Dear Sir,

I deem it a great honor and privilege to evaluate the curriculum of a distinguished department of an illustrious institution. I completed the evaluation & prepared a report based on my assessment. I am sending herewith the evaluation report for your consideration & further action. I am open to give clarification on any part of my observation made in the report. You may feel free to seek clarification this regard. I hope you would have received a mail a week back. I understand that the attachment made in that mail was a draft copy. I am here with sending the final copy of the report. Therefore, kindly ignore my previous mail this regard.

Best Regards

Dr. Pushparaj
