Dear Dr. F X Robert Bellarmine.
Dean of Arts,
SXC

Dear Sir,

My sincere apologies for sending the review of the syllabus late. This was because I was busy with the NIRF work of my College. I have made the necessary correction in the document in the comment section. It would be easy for the department to carry out the necessary changes there itself. I feel free to revert back for any clarifications..

I thank you for the opportunity.

Thanks and Regards
