### From the Editor's Desk

I feel immensely elated in fabricating the 2nd newsletter of Placement Cell for the academic year 2021-2022. This is an assortment of all the activities carried out for the grooming up of students and the array of recruitment drives taken place. In this dynamic milieu, it is mandatory that the young minds of our country be nurtured and encouraged to be placed at the highest pinnacle of success. The Training and Placement Cell of St. Xavier's College is an integral part of the academics. The ever unwavering spirit & continued endeavour of being a symbol of excellence has been the consistent reason for our Institute to be The Elite.

My gratitude is due to our regular recruiters who have shown consistent faith in the Institute's value system. Also, with great warmth, I graciously welcome our new recruiters who have joined us this season and look forward to an everlasting symbiotic relationship with them. The story of a successful placement season is incomplete without due acknowledgement of the laudable and unwavering support of the distinguished alumni of the institute and this year was no exception. Last but certainly not the least, appreciation is in order for the students across the batches who have upheld the qualities and values the Institution proclaims and simultaneously ensuring culmination of the smooth and flawless placement season. It won't suffice if I miss to thank the College Management which provides us the resources and stupendous support by all means to make all the plans feasible. I thank one and all for everything.
