Newsletter for the Academic Year 2025-26 (June- October)

"The best way to predict the future is to create it." – Peter Drucker

### Secretary's Message

It is indeed a matter of great joy that our Career Guidance and Placement Cell (CGPC) is bringing out the eighth edition of its news letter. It is heartening to note that the CGPC has organised a variety of events viz. Campus Interviews, Placement Drives, Orientation Programmes, Mock Interviews, MoUs with reputed companies. I am sure that through all these activities the students got not only placements but also a good exposure to a wide range of experiences to imagine a bright future for themselves. The college management will effectively accompany the CGPC in all its endeavours to create a great future for our students. May your journey be filled with much excitement and many moments of success!

- Rev. Fr. Dr. S. LAZAR, S.J.  
Secretary, SXC

### Editor's Desk

As another eventful year draws to a close, the Placement Cell is proud to bring you the eighth edition of our newsletter. This issue captures the dynamic spirit of our placement related activities, celebrating individual achievements and the collective efforts that have strengthened our placement network. With recruiters from diverse sectors engaging with our students, we have witnessed inspiring journeys - from successful placements to ambitious pursuits of higher studies. May these highlights motivate you to embrace every opportunity and remember that our team is always here to guide and support your aspirations. Wishing each one of you, new successes ahead.

- Dr. S. CHIDAMBARANATHAN  
Placement Officer

### CAMPUS INTERVIEWS FOR 2026 GRADUATING BATCH (FINAL UG & PG)

1. Interest in part-time job opportunities drew 35 college students to the walk-in interview conducted by **Aqua Life** on July 21, 2025. Out of these participants, 5 were selected for the Service Executive position, providing significant support for students aiming to earn while they learn.

2. The interview for the part-time Call Centre Executive position with **Fast Track** was held on September 16, 2025, at St. Xavier's College (Autonomous), Palayamkottai, with enthusiastic participation from both UG and PG students from various departments. Out of the 32 students who attended the recruitment process, 8 were successfully selected for the role, offering them an opportunity to earn while they learn through a flexible part - time job arrangement.

3. A notable recruitment event took place on September 17, 2025, when **Global Info Sys Inc.** visited St. Xavier's College (Autonomous), Palayamkottai, to offer Tally and Accounting job positions. Among the 28 students who attended the interview, 6 were successfully chosen for those seeking to begin their careers in accounting.

4. Interviews and written tests were conducted on September 23, 2025, at St. Xavier's College (Autonomous), Palayamkottai, as part of the recruitment drive for **Tamil Nadu Model Schools**, aimed at selecting qualified candidates for teaching positions in subjects such as Maths, Physics, Chemistry, English, Economics, and Commerce. 39 eligible postgraduate students participated and went through a systematic evaluation process including a written exam, subject-specific technical interviews, and HR panel discussions.

5. On October 10, 2025, **Besant Technologies**, Chennai, conducted a campus recruitment drive at St. Xavier's College (Autonomous), Palayamkottai, for various IT and data positions, attracting participation from 45 students who met the eligibility criteria, including graduates from multiple streams with a minimum of 65% marks. Following a multi-stage selection process comprising a placement introduction, aptitude test, group discussion, and face-to-face interview, a total of 11 students were successfully selected.

6. With anticipation and excitement filling the air, our campus welcomed a major career-defining opportunity as **Cognizant's** Analyst Trainee interview unfolded on 23.10.2025.

## PLACEMENT DRIVES FOR 2025 GRADUATING STUDENTS

1. As part of its ongoing efforts to bridge the students with leading industry employers, the Placement Cell of St. Xavier's College (Autonomous) partnered with

**MRF Tyres** to offer recruitment opportunities for Technical and Production positions. The online screening test was conducted on June 28, 2025, with candidates being shortlisted according to job preferences and eligibility. At the conclusion of the process, three candidates were successfully selected.

2. **Capgemini** collaborated with the Placement Cell of St. Xavier's College (Autonomous) to recruit Supply Chain Trainees under the ISCO Practice with BSV.

The opportunity was open to female graduates from non-engineering backgrounds and an advanced understanding of supply chain processes. Online assessment test was conducted on July 08, 2025. Upon completion of the selection process, three candidates were chosen.

3. In pursuit of creating dynamic opportunities in language education for its students, the Placement Cell of St. Xavier's College (Autonomous) enabled a recruitment drive with **ZING Languages**, inviting candidates with Bachelor's or Master's degrees and effective communication skills to apply for English teaching positions across key districts. The selection interview held on August 19, 2025, resulted in seven successful placements.

4. Demonstrating its commitment to facilitating meaningful employment opportunities for students, the Placement Cell of St. Xavier's College (Autonomous) collaborated with **Aruna Cardiac Care Hospital**, Tirunelveli. An off-campus interview was held on September 10, 2025, resulting in the selection of 7 candidates.

5. **Kanam Latex Industries Private Limited**, in partnership with the Placement Cell of St. Xavier's

College (Autonomous), conducted a recruitment drive for candidates holding B.Sc. or M.Sc. degrees in Chemistry. The interview was held on September 15, 2025, and three candidates were selected for employment.

6. Emphasizing its mission to facilitate impactful employment outcomes for its students, the Placement Cell coordinated with **Tamil Tourism** for the recruitment of female candidates to fill roles in Sales / Customer Support and as an Accountant. The interview held on **September 25, 2025**, led to the successful selection of two candidates.

7. Highlighting the importance of bridging academic achievement with real-world industry experience, the

Placement Cell of St. Xavier's College (Autonomous) collaborated with **Wipro** to offer opportunities through the 2025 Work Integrated Learning Program (WILP). The interview was conducted on **October 27, 2025**, where five students were selected.

## CAREER GUIDANCE AND ORIENTATION PROGRAMMES

1. Practical career advice and IT industry insights were shared with 103 enthusiastic students during the Orientation Programme titled "Level Up! Skill That Actually Get You Hired in Tech," held on **September 10, 2025**, led by resource person K. Vinoth Raja, Career Services and Project Delivery Manager, **ICANIO Technology Labs Pvt. Ltd.**, the session provided students with actionable strategies to enhance their employability skills and successfully break into the competitive tech sector.

2. Interest in studying abroad brought together 107 students for the Awareness Programme on "Pathways to International Careers: Higher Education Abroad," conducted on **September 19, 2025**. Led by Mr. S. Parthasarathy, Executive Director of **Trivasia Overseas Pvt. Ltd.**, the event provided comprehensive guidance on overseas education options, admission processes, and international career prospects, helping attendees make informed decisions about their future academic journeys.

8. Showcasing its commitment to advancing student careers in creative sectors, the Placement Cell of St. Xavier's College (Autonomous) partnered with **Avasoft** for recruitment into the Experience Design Team, including User Experience Designer,

Graphic Designer, and Motion Graphics Designer positions. The interview, was held on **October 28, 2025**, and two candidates were selected.

3. Enthusiasm for management education was on full display as 289 students participated in the "MBA for Career Growth" seminar conducted by **T.I.M.E.** on **September 20, 2025**. The session provided valuable guidance on the opportunities in MBA can unlock for career advancement, equipping attendees with insights and motivation to pursue further studies in business management.

4. A surge of interest in Civil Services was evident when 317 students took part in the "Kickstart Your Civil Services Journey" Orientation Programme on **September 24, 2025**, in collaboration with **One Accord Socio Economic Forum and Officers IAS Academy**, Chennai, the event featured resource person Mr. Harshal Mohan, Joint Director – Academics, who provided insightful guidance and motivated participants to confidently begin their civil services preparation. Additionally, awareness has been created among students regarding the importance of preparing for banking exams, equipping them with the knowledge and resources needed to pursue careers in the banking sector.

5. Guidance and inspiration marked the Orientation Programme for Civil Services Examination, on **September 26, 2025**, with a total of 376 students attended the programme. Led by resource person Mr. S. Ganesa Subramanian, Founder & Director of **Ganesh IAS Academy**, the session focused on providing insights into strategies, preparation methods, and

the journey towards success in civil services, benefitting many aspiring candidates who took part in this valuable learning experience. Additionally focused awareness sessions were organized to help students understand the procedures of Railway Recruitment Board (RRB) exams, highlighting effective preparation strategies, exam patterns, mock tests, and current affairs essential for the success in railway jobs.

**6. Elysium Academy's WordPress Webinar, held on September 27, 2025 and Visualize to Realize: Unlocking Insights with Tableau Webinar held on October 25, 2025.** These webinars were organized in line with the memorandum of understanding (MOU) with Elysium Academy.

## MOCK INTERVIEWS

On August 22 and August 27, 2025, Mock Interviews were organized exclusively for B.Com Maritime Logistics students at St. Xavier's College (Autonomous), Palayamkottai, aiming to boost their interview skills and communication abilities. The sessions featured three distinct panels comprising faculty members and professionals, who provided students with practical interview scenarios and valuable feedback, enhancing their confidence and readiness for the upcoming placement drives.

## Memoranda of Understanding

1. A Memorandum of Understanding (MoU) was signed on 10 October 2025 with **Besant Technologies** for a period of three years. As per the terms of the MoU, Besant Technologies will offer Campus Placements, Internship Training Programs, Technical Seminars, and Hands - on Workshops.

2. A Memorandum of Understanding (MoU) was signed on 30 October 2025 with **Icanio Technologies** for a period of three years. Through this partnership, students will benefit from Campus Placement Drives, Internship Training Programs, Industry - Oriented Seminars, and Skill Development Workshops organized by Icanio Technologies
