# NEWS LETTER 2015

### FROM HOD'S DESK

It is my pleasure being the Head of the Department of MCA. The aim of the department is to provide high quality education along with training the students with all the new advancements in the computer field. The department also takes initiative to improve softskills, analytical capabilities and verbal communication of the students so that they can face the competitions in the corporate world confidently.

The scope of computer science is endless. The department provides platform for the students to achieve their career goals.

-Prof. S. Chidambaranathan
