## **The Disobedient Son**

Once there was a rich farmer in a Village. He had a lot of land, cattle and many servants. He had two sons. He led a happy life with them. After some years the younger son became unhappy.

He asked his father for his share of the property. His father advised him not to demand like that. But he would not listen to his father's advice. He got his share and sold them. He had a huge amount with him.

With this amount he travelled to a distant country. He had bad company there and fell into evil ways. All the money was gone. He became poor and no one helped him. Then he understood his mistake and returned to his country. His father and brother took him into their fold and supported him forever. We should obey our parents.
