ABOUT THE COLLEGE

St Xavier's College was established in 1923 at Palayamkottai by Jesuit Priests with the aim of training the young men and women of quality to be leader in all walks of life so that they may serve the people of our nation in truth, justice and love. Accordingly, this college serves to be an agent of social change, instilling in the youth, an awareness of the great need in our country of social justice based on brotherhood and dignity of the human person. Thus, it aims at making its own contribution towards a transformation of the present social condition so that justice, equality and the moral values enshrined in the constitution of India may prevail in the daily life of every citizen. The college was accredited by NAAC at A++ Grade with a CGPA of 3.66. The UGC conferred the status of College with Potential for Excellence in 2004, 2010, and 2014. The Department of Biotechnology (DBT), Government of India, awarded Star College status in 2014. Acclaimed as a premier institution for higher learning, the college offers 56 programme options to the students.

ABOUT THE DEPARTMENT

Teaching of Mathematics was well received right from the beginning of the college. In 1970, Post Graduate course in mathematics was introduced. The department became a research centre in 2003 and about 30 research scholars are pursuing their Ph.D programme.

ABOUT THE CONFERENCE

The Department of mathematics, St Xavier's College, organises the international conference ICRDPAM2022 which primarily focuses on recent development, trends and concerns, challenges and solutions in the field of Pure and Applied Mathematics. The conference also aims to naturally stimulate researchers with inventive ideas towards the growth of research and explore new innovative courses to face the challenges in the field of Pure and Applied Mathematics. It aims to bring together academic researchers and delegates from the institutions to exchange and share their experiences and research findings.

CALL FOR PAPERS

Academicians and researchers are invited to send papers in any area of mathematics to 3sxciqac1923@gmail.com
